**INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. 1.97(b)**

Assistant Commissioner for Patents  
Washington, D.C. 20231  
Sir:

This disclosure statement under 37 CFR 1.97 & 1.98 is submitted before the first Office Action in order that the Patent and Trademark Office may consider the relevancy of certain information to the invention described and claimed in the subject application, and in compliance with the regulations concerning information disclosure statements, copies of abstracts of documents listed on the attached Form PTO 1449 are enclosed.

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an enveloped addressed to: Assistant Commissioner for Patents, Washington, D.C. 20231

1/10/2002

Date

Noland J. Cheung, Reg. No. 39,138

Name of applicant, assignee or Registered Representative

Signature

January 10, 2002

Concise statements of the presently understood relevance of each of the documents are found in the specification filed.

Also enclosed for the Examiner's consideration is the attached International Preliminary Examination Report as well as the English language translation thereof.

This Information Disclosure Statement should not be construed as a representation that a search has been made, that additional information material to the examination of this application does not exist, that any document mentioned herein constitutes prior art, or that the documents listed severally or in any combination with one another or with any other information, are believed to render any claim in the subject application prima facie unpatentable.

Respectfully submitted,

By

Noland J. Cheung
